A NEW YEAR WITH NEW BEGINNINGS

I am excited and honored to join the De La Salle family as the new Executive Director. I want to thank everyone for your warm welcome.

With the 2017-18 fiscal year behind us, we are enthusiastic about our new beginning. I owe a huge thank you to the Board of Directors and committed staff for making this transition seamless.

Before I joined De La Salle, I attended a STAR lunch and was astounded at the presence of the students who greeted me at the door. They showed such grace and maturity, that I wish I had at their age! I listened to students speak about their experience at La Salle Middle School and how they had grown since the start of school. It was magnificent to see how proud they were of their own growth and how happy their classmates were for the STAR Student of the Year. Our core values of care, community and zeal were on full display from the students to the staff to the guests in the room. It made me feel honored to be part of something this special.

Since then, I have had the opportunity to get to know several students and graduates. And I can truly say that the education and support we have provided truly makes the difference.

With thanks and appreciation,

Muriel Smith | Executive Director | De La Salle

1106 N Jefferson Ave, St. Louis, MO 63106

I AM INCLUSIVITY

A photograph of a man with his arms around two children. The man is in the background, wearing a dark polo shirt. The child on the left is a girl wearing a light blue polo shirt with a 'LaSalle' logo and a black backpack. The child on the right is a boy wearing a grey zip-up hoodie. They are all smiling. The background shows a classroom or school setting with windows and tables.

With love all things are possible.

PURPOSE & MISSION

De La Salle, Inc. is dedicated to transforming children and our community through innovative education. Inspired by the teachings of St. John Baptist de La Salle, our work serves our larger vision of excellence in educational opportunity for all children. Rooted in the Lasallian tradition of making a quality education accessible to all, we provide excellence in education, and promote service, justice, care, inclusivity, community and zeal. We proudly proclaim, "I am somebody!"

VALUES

Our positive culture is based on the following core values that guide us on our path through life together: inclusivity, care, service, zeal, justice and community.

I AM CARE

OUR METHOD

De La Salle works in partnership with La Salle Middle School to prepare our students for lives of significance and service to others. Through a highly individualized approach, we work with each student and their family to identify and reach their personal educational goals; to be prepared to find meaningful work; and to enter adulthood as inspired change agents and leaders.

Our Lasallian charism calls us to honor the brilliance and unique potential in each student. At our school, you'll often hear the words "I Am Somebody." This sums up our core values – we believe that each person has intrinsic value and uniquely contributes to the good of the whole. These values guide our work from middle school through post-secondary completion.

LEARNING THROUGH SERVICE

We challenge our students to demonstrate faith in action through service learning opportunities. De La Salle offers a variety of service-oriented activities that enrich our students’ educational experience while meeting real needs in the community.

Projects are designed to develop students’ sense of social and personal responsibility and to recognize their potential as change agents. Some examples include: 7th and 8th graders went to Our Lady’s Inn, a shelter for pregnant women, to help organize and wrap Christmas gifts. Students also went to 104.1 to do a presentation on depression, highlighting the leadership program. Annually, our students participate in World Food Day to package nutritious food items to be dispersed locally and around the world.

Other benefits include:

**Positive

on academic
mindset and learning

**Skills

I AM JUSTICE

Meet Kyhree

Kyhree, La Salle Class of 2018
Cardinal Ritter College Preparatory High School, 9th grade
Member of the Track and Football Team

How do you promote and embody our core values?

I do my best to embody justice by letting others have choice in decision-making. I want them to feel that their voice and ideas are important and matter. I believe things should be equal and fair and want to promote this however I can.

How do you give back to your community?

By receiving the best education that I can to have a successful career and give back as a productive member in my community.

What do you want our supporters to know?

This is a place that focuses on caring for everyone and that treats you like family. Every student who comes here receives a great education that will prepare them for their future.

What does De La Salle mean to you?

It means family and kindness. De La Salle truly sticks to their core values. What I experienced when I was here was that the teachers and the staff members loved me, cared for me, and always saw a good future for me.

Meet Erik

Erik, La Salle Class of 2013
DeSmet Jesuit High School, Class of 2017
St. Mary's University—San Antonio
Studying Computer Science and Business Administration

What are you involved with outside of school?

The National Honors Society, Trio Mentorship Program, and the Marianist Leadership Program, a program that focuses on assisting the needs of people from various backgrounds and age ranges.

What accomplishments are you proud of?

I have been recognized for maintaining a high GPA (3.5+) while studying a rigorous field in the STEM background. I have also been recognized and awarded with writing the Best Article in the Category of Social History for St. Mary's University History Media website.

What do you want our supporters to know?

I want the supporters of De La Salle to know that your help and support makes a difference. Everything you do matters. Sometimes the effort you put in does not show immediately, but the results will come.

I AM COMMUNITY

Q&A with Taraysia

“If there is a book you want to read, but it hasn’t been written yet, you must be the one to write it.”

-Toni Morrison

How have you grown from the 6th grade until now?

I have experienced different things. Everything my teachers taught me prepared me for 8th grade and I feel like I can apply it all to my life.

What’s your favorite thing about La Salle?

If I have a problem, there is always someone to talk to that cares about my education. When I don’t understand my work, my teachers break it down for me.

Who is your favorite teacher or staff member?

Ms. Halliday. She always encourages me and I get a really good vibe from her. I can tell her anything, I view her as like a second mother.

What do you want to be when you grow up? An entrepreneur.

What high school do you want to attend? Central Visual Performing Arts

If you had one thing to say about La Salle, what would it be?

It is an amazing school that prepares us for our future—it is a dream to be a part of!

FAREWELL TO MELISSA BRICKEY: Throughout her 14 years with De La Salle, Melissa infused a spirit of love into our mission. From the creation of our wildly successful Graduate Support Program to becoming its Executive Director, Melissa has been directly involved with more than 300 young people, staff and donors, who are all better because of it.

2018 CATCH A RISING STAR GALA

Nearly 250 guests gathered at the Palladium to celebrate our students, graduates, and mission at our annual Catch A Rising Star on April 28, 2018.

This year's honorees highlight De La Salle's long-term commitment to our students and their families. Melissa Brickey, former executive director and creator of the Graduate Support program, and Maryville University, with its financial, academic, and social commitment to first generation college students were awarded De La Salle's Guiding Star.

Also featured was De La Salle graduate and current Maryville University student, Jay'la S. Guests were treated to a transformational story from Jay'la and her mother about the support De La Salle has offered during our multi-year relationship.

Through the generosity of our many guests, we raised over \$250,000 to continue those relationships with many more families.

I AM

DEDICATED

SUMMER SCHOLARS PROGRAM

This past summer, sixty rising juniors and seniors in high school arrived on Saint Louis University's campus Summer Scholars. This week-long program is sponsored by De La Salle Inc. and this year was the ninth consecutive year. Graduates from De La Salle, Marian, St. Cecilia's, Most Holy Trinity, St. Louis the King, and Loyola Middle Schools gathered to learn about the college search and application process.

The students, affectionately called "scholars", stay in a dormitory, receive a campus tour, use the recreation center, learn how to dress for success, learn how to manage their mental health, and reflect on their days with Resident Advisors. These RAs are former program participants who are currently enrolled in a four-year institution. Also, students have six hours of ACT boot camp, workshops on financial aid and advocacy, and a college fair with local universities.

De La Salle Inc. was fortunate to collaborate with the Scholarship Foundation of St. Louis, Study Smart Tutors, Prosper STL, Wells Fargo, US Bank, Energizer, Monsanto, and Boys Hope Girls Hope.

"The Summer Scholars program was one of the best experiences I've had in my life. [...] I think it's really awesome that we took classes to help us with the ACT, it is going to be very helpful."

I AM GIVING TIME

**“Alone we can do so little;
Together we can do so much.”**

-Helen Keller

Dave Costigan, better known as Dr. Dave to students and staff, has been a La Salle Middle School volunteer for two years. Dr. Dave is a retired physician, volunteering with La Salle from the IVC group (Ignatian Volunteer Corps), a Jesuit program designed for retired or semi-retired adults wanting to make a difference in their local community.

Dr. Dave has made a major impact. He is always willing to help out in any way he can. You can often find Dr. Dave tutoring in math classes, helping out in the library and the main office, or just simply walking the halls gracing each student and staff member with a smile and maybe even a quick joke or two. Dr. Dave often mentions how coming to La Salle and working with our students makes him a better individual. What he doesn't know is that he impacts each one of our lives the moment he walks through the doors. We are grateful and blessed to have Dr. Dave with us.
